The sealed bids will be opened May 2nd, 2024, at 1:00 p.m. Bids must be submitted to the office of Youngwirth, Davis & Associates located at 7193 Main Street, Bonners Ferry ID 83805 by 1:00 p.m. on Thursday, May 2nd, 2024. Sold “as is” with no warranty.

To schedule viewing, call Jared Wilson (208) 946-1868 Monday – Friday, 8:00AM – 4:00PM

1991 GMC Sierra 1500

Minimum Bid \$500.00

Notes:

- Regular Cab; Long Box 4X4
- Red in color with matching fiberglass canopy
- 12,2245 miles, 5.7 Liter V8 with automatic transmission
- Fair condition; runs and drives. The tilt steering column bearing is bad, which affects shifter and steering, so driving from auction site is at buyers’ risk, towing is recommended. Also, the wipers are currently unplugged, they run constantly, probably associated with the steering column issue.

2011 GMC Sierra 1500

Minimum Bid \$1,000.00

Notes:

- Extended Cab; Long Box 4X4
- White in color with matching service canopy
- 24,3541 miles, 5.3 Liter V8 with automatic transmission
- Fair condition; runs and drives. The transmission has issues, poor shifting and reverse is questionable. The stereo fuse is removed as it will drain the battery. The rear bumper is damaged.
